DATA SHEET

MAR PVC Water Suction & Delivery Hose

The Right Connection®

Designed with a smooth bore to reduce friction loss and build-up of residue, this lightweight suction and discharge hose is well suited for use with bilge pumps and pond pumps. Its versatility sees it commonly used as a waste water hose for caravans and RV's, a lightweight air seeder hose, ducting for dust extraction and a low voltage cable conduit.

Hose Construction

Tube: PVC - black
Cover: PVC corrugated - black
Reinforcing: PVC embedded rigid helix - black

Features

- UV stabilised
- Abrasion resistant
- Non-toxic
- Food grade FDA approved
- Extruded

Temperature

- -5°C to 60°C

Standards

- Nil
