DATA SHEET

A170 Heavy Duty Steel Air Delivery Hose

An exceptionally durable steel cord delivery hose engineered to convey high-pressure compressed air. Built to withstand extreme conditions and designed with high safety margins to ensure prolonged, dependable performance even in the most challenging work environments encountered in mines, quarries, construction, and industrial sites.

Hose Construction

Tube: NBR blend - black

Cover: EPDM blend, smooth - yellow **Reinforcing:** High tensile steel wire cords

Features

- Abrasion resistant
- Ozone resistant
- Weather resistant
- Oil mist resistant
- Mylar layline & embossed tape line
- Mandrel built

Temperature

• -40°C to 70°C

Standards

Nil
