DATA SHEET Tank Truck Vent Hose

Dixon's Tank Truck Vent Hose is designed to ensure safe and efficient vapour discharge from fuel tank truck hatch vapour vents. Made from durable rubber with excellent resistance to abrasion and weather, this hose guarantees long-lasting performance in the toughest conditions. Its precise engineering allows for smooth vapour discharge, accommodating various fuel types and vapour pressures.

Applications

- Petroleum
- Oil

Hose Construction

- Tube: Nitrile Buna Rubber
- **Cover.** Black smooth wrapped synthetic rubber weathering & oil resistant
- Reinforcing: High strength synthetic cord

Temperature

• -20°C to +70°C
